

FREESTYLE[®]

Portable Oxygen Concentrator

Discover your independence

The lightweight and wearable FreeStyle offers you the ultimate freedom to go anywhere. Easy to use while active in your everyday activities and FAA approved for use on a commercial flight — it is perfect for everywhere you go.

A LIGHTWEIGHT SOLUTION

Replace your tanks with the lightweight FreeStyle at under 5 lbs. This device can be easily carried by handle, worn by a comfortable shoulder strap, or attached to a backpack. You really can go anywhere and enhance your activity level.

PEACE OF MIND

Enjoy the convenience of a portable oxygen concentrator with sensitive breath detection — UltraSense™ Technology — which ensures the device detects each of your breaths quickly to give you the oxygen you need each time you breathe in.

STAY ACTIVE

Quickly swap the battery packs on the go so you never have to worry about running out of oxygen. The convenient pack will re-charge anytime wall (AC) or motor vehicle (DC) power is connected and is easily accessible from the front of the device.
